

Hammonton Road (CR 542) will be closed on or about Monday June 29, 2026 for the rehabilitation of County Bridge #H8.52. Hammonton Road will be closed between Leektown Road (CR 653) and State Route 9. It is anticipated that the roadway will be reopen in approximately 10 months. Detour signs will be installed and all traffic will need to follow this detour to access their properties as they will be not able to cross the bridge.

Should you have any questions with any of the above please feel free to contact the bridge section at 856-642-3700.
