

SEPTEMBER 12, 2022

There were various individuals from Buttonwood who spoke regarding the monthly rate increase for Buttonwood Residents to \$801.00 a month which is one of the highest in the state with nothing to provide to the residents. There was also a court order to the owner of Buttonwood with stipulations about raising the rent for six years and mandatory fixes that have to be done, but the residents still feel the Commission should still move forward with a rent control board.

Harry Nogewski advised the commission about some concerns he has with the property next door to him, owned by a Mr. Sherwood. It is supposed to be a veteran's memorial, but it is nothing but a party property and he would like some help with some of the issues.

Mayor Cope stated his best bet would be to contact the police when the issues are going on and they will handle the problems.

Leo Assure, asked if there is any news on the School and its sale yet. He was informed there is no new information.

Ashley Cramer, is very upset with how the pot hole on Adams Avenue has been handled for the last five years and she wants things fixed now and correctly. She feels the down is being mismanaged and it needs to stop.

There being no further comments or questions, Mr. Bourguignon moved, second by Mr. Capriglione that the public portion of the meeting be closed. It was so moved.

Mr. Bourguignon moved, second by Mr. Capriglione that the meeting be adjourned. The motion was unanimously approved at 7:19 pm.

Respectfully submitted,
